“ Jenny was always on top of everything at Willis Shaw. She was extremely efficient, and was always willing to assist with even the littlest computer formula question. She did not pull any punches when giving her opinion. You knew exactly where she was coming from. She also made a superb veggie spaghetti salad. She leaves this world too soon and with an emptiness. May she remain in our hearts, and prayers for her family.

“ I have wonderful memories of my time working with Jenny at Willis Shaw. She always took great pride in her work never backing down to a challenge. She left this earth much to early. Prayers to her family and friends for comfort and understanding. Because of the promise of our Savior you will be with her again.

“ *I want you all to know that you are in my prayers and thoughts
during this time of grief. I fondly remember the vacations our
families took together while we were growing up. Even though it has
been many years since I saw Jenny it doesn't make the passing any
easier. There has been many posts on Facebook about Jenny's
passing and take comfort knowing that she was loved by many,
from her schoolmates to her neighborhood friends. The Lawson
family sends their deepest condolences.*
