“ *Dear Family and Friends of Walt Clogston,
I had the absolute pleasure of working with Walt and Ruby at Motel 6 in Walnut Creek, CA when i was in High School, they were like my second parents. I followed them when they went to Fairfield and then to Sacramento on their storage unit journey. After a few years my life took me off to other places, and i lost track of them. I thought of them often over the years and always hoped they finally retired and relaxed for awhile. I really enjoyed being around them and would frequently stay after work for dinner and listen to their stories. There are only a few souls on this planet you carry in your memories and cherish, Walt is one of them for me. I know he is in Heaven watching and guiding us on our way, wishing he was still driving that old green Ford Econoline Van. :)*
