“ *I worked with Wanda at Kearney for several years. She was a good worker. We were given two people to help us once, and asked which one we wanted to keep, and we chose Wanda. She did good work and was easy to get along with. I saw her just over a week ago and enjoyed visiting with her. I can't believe she is gone, but will not forget my memories and the good times we had working together. I will keep her family in my prayers.*
