“ Momma Quick, was truly a bright light at NW. I met her when I worked nights in MICU. She was so kind and sweet and always had a smile for everyone she met. For some the birthday cards and Christmas cards she sent each were only they received they were a blessing to each of us. She will be greatly missed. God shared her with us and now is her time to spend with him. Prayers to her family for the good care you have given her and for sharing with us.
