“*Wandajean and I met each other just after she moved here from California and we have been good friends ever since. At that time we were going to the Jones Center. She was also in the Red Hat Society and Senior Center of Springdale with me. Wandajean was a very special lady and she will be missed by all who knew her.*

“*Wandajean my best friend for over 40 years .we laughed,and cried together through deaths divorces sickness.we have taken many trips together,we talk to each other every week on the phone. She called me bossy but look who was talking. We were closer than most sisters ever were and many time people ask if we were sisters.i'm really not sure how we became so close she was so picky about her looks and I didn't care how I looked as long as I was comfortable.but we did and I have not regretted one minute of it. I will miss her so much, the phone calls every Sunday and if I didn't call her early enough she would call me telling me it was my turn to call.see who's bossy. I love her and her family with all my heart Love Evelyn*
