“ Betty and Family: Our love to you during this time. Doug still talks about the Monday night dinners at Warren and Betty's house and how he loved spending time at Rick's house!

“ Dear Betty and family. I am so sorry to hear about Warren's passing. Mom and Dad and our whole family have always felt a special closeness to your family. I remember working at Coca-Cola when I was in college. Every time Warren would see me he would shake his head and say, "Oh no, not you." He would then smile and slap me on the back. All of the guys on the dock always kidded me about having connections in high places. I will miss his smile and sense of humor.
