“ *I really enjoyed working with Wayne. He was an integral part of the Tyson Print Shop team for many years, and still considered to be part of our work family after his retirement. Wayne and Vera always enjoyed playing music at the Goshen Ice Cream social, the Veteran's home, etc. While I'm saddened by our loss, I'm happy for heaven's gain. Our thoughts and prayers are with you in this time of sorrow and loss. May God Bless.*

“ *Deann Keena and family*

We are so sorry for the loss of your dad, He was like a dad to me and my kids still call him papa wayne & nanny vera,. He will truly be missed but wow what an Angelic choir they are both now members of. It has been along road but when Wayne stepped up to the streets of gold I'm positive Vera was there to meet him and take a stroll to see his lord and savior face to face.

He is now in his mansion with your mom and they probably even have a sign in the yard that says " The Poplin's". I love you guys and you know that I am always just a phone call away.

“ Girls, I was so sorry to see the notice in the paper. I knew your dad was not well, and I know he was missing your mom. Now they are back together. I always enjoyed visiting with them both when we would be at Lillie's. My love and prayers are with you both and your families.
