“ *Shirley, Sara & Missy, So sorry to hear of Bill's passing. I haven't seen him in a few years, but I thought the world of him. He hired me at JTL when I was 18 years old, fresh out of high school, and he sure made me feel at home there. He sure enjoyed teasing me. I sure admired him as a boss, and learned a lot from him. He spoke often about Shirley & was crazy about his girls! Praying for peace & comfort for you all. Cheryl (Sharp) Simon*

“ Bill Carter has been a true friend since moving back to NW Arkansas in 1992. We worked along side each other and looking back I actually enjoyed every minute. We spent time sharing memories of mutual friendships from times past as well as our love for the Razorbacks. We had a Lead Hill Ar. connection through Shirley and my wife Bobbie. May God exceedingly bless the entire Carter family with peace, comfort, and endless enjoyable memories.

“ Bill and Shirley were two of the first people to greet and welcome John and I to the neighborhood of Lowell. We considered Bill a good friend and man of GOD. We have fond memories of Bill and will remember how kind he was to everyone. God bless his family in their time of sorrow and we have sent some Gideon Bibles in his memory. John & Marty Brown
