“ *Our thoughts and prayers are with the Cook family. Dot and I worked with Howard at KBRS in the mid 70s. Howard was such a cut-up and I looked up to him as a mentor and leader. We lost touch after Dot and I married and moved to Tulsa. But have always carried good memories of Howard in my mind. Rest In Peace.*

“ *Worked with Howard at KBRS from 1968-76 while in high school, college and my first job following a college degree in broadcasting. He always had a smile and an encouraging word. KBRS was my introduction to the business world, and I learned first-hand from Howard, Phil Phillips and Phil's team that work can be a fun experience. That lesson has served me well. I recall Howard had a favorite cat named Glen. Something strange about that name for a cat, but it was his cat, and he got to name it. Glen it was!*

“ Being a teenager in the 60s we listened to KBRS and Howard Cook. He went everywhere we went to the drive-in, to the lake or just cruising up and down highway 71. Howard will be missed by many people. My prayers are with the family and friends.

Howard was my co-worker at The Morning News and I also had the privilege of covering Springdale City Council when he was serving. But, more than that, he was a nice person, a fun guy and a good friend. I'm very sorry to hear of his passing.
