“ *I wish I could be with all of you today. Just know that I WILL be with you in thought as you tell your precious Bill good-bye. He had a unique way of making those around him feel special and loved. He was so good-hearted and had a laugh that I can still hear. He will be terribly missed by his family, and me, his cousin. I know he has now been welcomed by his mom and dad, and all the other family members who have passed on, who are now made happier by his presence. My love to you all.*
