“ *James was a very good man who I was blessed to have as my Father in law. He did so much for Rick and I while we were married. Him and Janice loved their grandkids Eric and Sonja so very much. They always made sure that us and them never did without anything. They willed each grandkid a home to inherit after their passing. They were both such caring, giving, loving people. The world is gonna be so lonely without them. I miss and love them both so very much.*

“ *Rick, We are so sorry about your Mom and Dad. Your Mom was like a big sister to us O'Neals across the creek from your Granny's house. When we had our picnics she would bake us cakes, green with green icing. Most of us learned to ride on her old blue bike. She introduced me to smoking grapevines and if the season was right "rabbit tobacco". I can still hear her laugh. When she married your dad he was always kind to us and we enjoyed visiting with him. We loved Aunt Lucy, Junior, Larry and Uncle George. When you came along Ted and Ed looked forward to your visits. Love Fred, Ted, Ed, Sharon and Lucille*
