“ Uncle Dean enjoyed coming over for a home cooked meal. We spent many afternoons after lunch visiting around the kitchen table, eating pie and drinking coffee. I will miss our Saturday morning breakfast. We are blessed to have those memories of the times we spent with him. He will forever be in our hearts. May he rest in peace with the family and friends that have gone before him. John & Denise

“ A wonderful man he was. Uncle Dean could do most anything, he would study a car or piece of farm equipment until he could figure out how to fix it. He loved family dinners and hot coffee. I remember when I was a little girl, he gave me my first camera for my birthday, it was a 110, Hello Kitty and he brought it to the party with a hair tie wrapped around it. I must have taken 50 rolls of pictures with that camera. I must have been 10 or 11 years old. The lights of his house to light up the hill will be missed. Possibly in heaven he will find his soulmate. Rest in peace.
