“ *I just want to let you know I was thinking of your family coming up on the 2 year anniversary of Willie's death. I pray that God continues to give you the support and comfort you need.*

“ *Willie came into our family about the age of 2 and the rest is history. We all loved him so much, such a sweet little boy with a lot of hair and a sweet smile. He stole by brother's heart and Willie would be his son.*

*The love in their family was one of a kind. Willie had such promise and missed his chance to work with his love, which was the teaching of sports to children. He was the pied piper to children they loved him and he put them first in his life.*

*It makes me so so sad to know that this young man with such promise was taken from us too soon. God must have needed him more. He will be watching over his family as he always did, they were his life. We love and miss you Willie but we will join you some day. Tell you Dad hi and we miss him also.*

“ *It is with great sadness to see you go. You were so many things to so many people. To us you were a brother, a protector, an ear to listen when in need and so many more. Not to many people you come across can you call a best friend. You were without a doubt one of the best one could have. Keep your eye over us from here on out! We love and miss you dearly, Kyle, Amylia, Dakota, & Hunter*
