“ *I had the good fortune of working with Dub for 20 years at the Northwest Arkansas Times in Fayetteville. There were so many "high quality" people who worked there in all five departments and he was one of the best and most popular employees. He was a good, decent, hardworking guy with a great sense of humor and I have so many wonderful memories of the conversations and working experiences we had. He loved his family and was good to the people around him. My sympathies go out to Lois, their children and all the grand-children!*

“ *To Donnie and the family,*
Our hearts go out to you and hope your good memories will give you comfort. Russ enjoyed working with W C at the Springdale News and his great sense of humor. And of course, he loved running around with you, Donnie. Take care and give us a call sometime (479-419-8212).

“ *My sweet Uncle Dub will be missed by all who knew him. Always kind, upbeat and caring. I hold in my heart my memories of him and my dad playing football and other games with us when we were kids. He was a good man and a loving uncle.*

“ *Mr dub was a great man and will miss him. I didn't know him that well but I had heard great things about him from his neighbors Sam and Maria. And when I would go see them I would see him outside and speak.*
