“ *Uncle Wayne we will miss your laugh, we will miss you making us laugh! We are thankful you are in Heaven with your wife and other of our dear family members. I love your family and if any of them need anything I will be here for them. I love you all and hate that I am unable to be there to comfort you in person today.*

“ *So very sorry for your loss... Wayne was a gentle giant. I remember as a kid I thought he was the tallest man in the world... but after he spoke he was like Santa, he was always full of laughter & was kind and caring to everyone... he will be missed by many...*

“ Wayne’s Legacy of Laughter

*Life handed him a few hard knocks;
Sometimes his luck was bad.
He had his usual ups and downs
As most of us have had.
Grief had its day along the way,
Great fortune passed him by,
But he always came out a winner
With a twinkle in his eye.
This legacy of laughter,
A gift from above,
Was all the weapon he had
To fight life’s pain and care.
But he kept his sense of humor,
And he laughed away the tears,
And he went on spreading chuckles
All around him down the years.
And I know I will find him waiting,
When I join him by and by,
Likely joshing with the angels,
With that twinkle in his eye.

“ *Smart on vehicles...smart on life. If you had Wayne on your side, you had it made. We grew closer than I thought would be possible. If he was around especially grandchildren his glow could light the night. To him there was no difference between step grandkids or otherwise. Rest in peace my friend. Forever my respect. Forever my friend.*
