“ I am so very sorry to hear of Bill's passing. I love you Glenda and you know how I love Bill. He was truly a wonderful friend who supported me in countless ways. When I was having trouble with my dissertation, he was there for me, editing. When I doubted I could do it, he was there for me pushing me to see the potential he and Glenda saw in me. We shared countless good dogs and have tons of great stories. I will love Bill and Glenda for all the days of my life and will meet again in that place where Bill will be smiling and waiting for his beloved Glenda. God Bless you Bill and love for you Glenda.

“ Glenda & family, so sorry for your loss. Saw the obit in the Russellvillw courier this AM. I have lots of good memories of Bill as a teenager. He was smart, best dressed, played in the Band & didn't take anything off the Parker rowdy boys. To this freckle face kid, he was a protecing cuz.  
God bless you & family.
