“ *DearestPeggy and family: At a time such as this, there just aren't any words that can express our emotions and heartfelt feelings for you and your family. You and Bill were our families first friends when we moved here nearly 15 years ago this summer. I agree with all the other messages that Bill and you were the perfect couple. I enjoyed his smile, his laugh, enthusiasm for life, and friendliness to everyone. He will be missed by so many. May GOD comfort your family during this time. Love Brenda and family*
