“ *Uncle Ralph was my favorite uncle. He was also my sister (Sharon Combs Keaggy) favorite. I remember when I was a little girl and would go back to Arkansas with our Dad, Eddie Combs (Uncle Ralph's oldest brother) we couldn't wait to see Uncle Ralph. When I grew up and got married, I lived in Woodland, CA and I used to go over and visit him. By the time I had any children he had already moved away from California and never got to meet of my children but they have heard plenty of stories about him. I loved him alot!*
