“ So sorry to hear about Wilma. She was a great lady. Compassionate, giving, loving and forgiving person. The world will be a sadder place without her. I wish there were more people just like her. My first thought when I heard she had passed was, "Oh, she had three sweet smiling faces there to greet her". Sympathy to all of you from all of the Andrews.

“ 28 yrs ago I had the great joy of moving in next door to one of the greatest women I have ever had the pleasure to know and love she became a 2nd mother to me and a grandmother to my children and a truly wonderful friend and her laugh just made you feel better to hear it. She was always there for you no matter what. It will be so hard to walk out my back door and know that I will never hear her call out to me again. I love you Wilma Stockton and I will always miss you!! I know that you with Mike and your girls are having wonderful time together. Till I see you again rest in peace dear friend you will be greatly missed!!
