“ *It was an honor to be there for Xander and for all of you in his short little lifetime. I know he was a fighter. And he knows he was loved!! My prayers are with you all and I pray peace and comfort for you. I know that even now he is in the arms of some special angel gone on before who is rocking him and spoiling him. He truly was blessed to know your love while he was here!*

“ As one of the ECMO coordinators at Arkansas Children's Hospital - I was blessed to meet this wonderful family. Although Xander's life was short - he was showered with an abundance of love from his mother and her family. I am so sorry for your loss. Nicole is one of the sweetest moms I have ever met.

*My thoughts and prayers are with you all.
